# Tea Tree Oil

(*Melaleuca alternifolia*)

100% Pure  
Australian Oil  
Pharmaceutical Grade

Net Wt. 2 fl. oz. (60 mL)

Tea Tree is a pure oil, culled from the leaves of a tree (*Melaleuca alternifolia*), native to Australia. Traditionally, it has been used as a topical agent for the skin.

**Ingredient:** Melaleuca Alternifolia (Tea Tree) Leaf Oil.

**WARNING:** Do not apply to broken or irritated skin or areas affected by rashes. Discontinue use and consult your doctor if any adverse reactions occur, including skin sensitivity or irritation, rash, itching, redness or swelling. Avoid contact with eyes, nose, mouth, inner ear or other tender areas. Do not use on children or animals.

**FOR EXTERNAL USE ONLY. DO NOT INGEST. KEEP OUT OF REACH OF CHILDREN.**

The Australian standards require that the oil of *Melaleuca alternifolia* must be composed of less than 15% cineole and over 30% terpinen-4-ol. Our superior grade of Tea Tree Oil is meticulously analyzed to ensure that it exceeds these levels of oil quality standards decreed by the Australian government. Our Tea Tree Oil is composed of less than 5% cineole and over 35% terpinen-4-ol which qualifies for "Pharmaceutical Grade," as established by the Australian Tea Tree Oil Industry Association.

**DIRECTIONS:** For adults, apply topically to the skin. If irritation, redness or swelling occur, discontinue use immediately.
